

PATHWAYS SCHOOL GURGAON

DEVELOPING CHILDREN, DEVELOPING NATION

Established in the year 2010, Pathways Schools – a group of K12 & pre-primary schools, established in the prime locations of Gurgaon, Noida, & Aravali, stretched across a 10-acre site, & decently equipped with modern infrastructure & best-in-class architecture – since its inception, has worked in the overall development of the students. Pathways Gurgaon focuses on teaching the students with the best possible & modern teaching techniques, thus the classrooms are equipped with interactive whiteboards & projection screens to enhance

the classroom learning experience. The school deeply focuses on sporting infrastructure & has dedicated an ample area to grounds for various sports such as Soccer, Cricket, Tennis, Basketball, Athletics, Golf, Horse Riding and several others.

In 2012, Pathways landed into the pre-primary education segment with the launch of the first pre-school in Gurgaon. With a dedicated staff and visionary leadership of Mr. Pramod K Jain, today the Pathways Early Years is located in 5 different locations in Gurgaon and Noida.

The school also encourages its students to participate

in several social issues like planting trees in nearby villages and other activities that take place on their school campuses.

THE PHILOSOPHY THAT ENCOURAGES

The school does its best to optimise the consumption of resources. The United Green Building Council has recognised Pathways School Gurgaon for their Leadership in Energy and Environmental Design. They were also awarded the “Best Green Infrastructure” for their enthusiasm in harbouring Green Practices within their campuses.

The school runs a special

PULSE programme that consists of Pathways Life Support Training, P.U.L.S.E Classes, Social Behavioural Counselling & support systems, out of which the Pathways Life Support Training Centre is approved by the American Safety and Health Institute.

Pathways School, Gurgaon is working towards becoming the top primary schooling institution in the country. It has already been excelling in maintaining the global standards as it is the first IB continuum school in India, and was also ranked India's 1st International Day School.
