

EPISTEMO VIKAS LEADERSHIP SCHOOL

BRINGING INNOVATION INTO TEACHING METHODOLOGIES

To impart global learning by incorporating modern tools and techniques with the intent of bringing out the best in children and to instill holistic aptitude and attitude, Epistemo Vikas Leadership School believes in disseminating knowledge irrespective of caste, creed, religion or nationality

Epistemo Vikas Leadership School is one of the top-rated Cambridge School affiliated to Central Board of Secondary Education.

MAKING LIFE BETTER AND TEACHING ENJOYABLE

Epistemo International School, Hyderabad, under Vikas Leadership opened its doorway to education in 2012, and ever since, it has offered a platform for educators and learners to explore, discover, learn, apply, analyse and create what's in the best interest of students. Staunchly believing that knowledge is wisdom, Epistemo Vikas Leadership School is one of the best CBSE-affiliated schools in Serilingampally, Hyderabad.

Founded with a mission to endow students with a learning environment conducive to honing skills and values in a compassionate, child-centric atmosphere, nurturing self-esteem and a sense of duty, Epistemo Vikas Leadership School strives harder so that the students attain the summit of success.

In less than a decade's time, Epistemo

Cambridge and CBSE Board Schools in Hyderabad have spread their wings and grown astoundingly in scope and numbers, and have transformed the traditional methods of teaching, thus making the way for world-class and comprehensive learning with a universal approach.

OFFERING PAR EXCELLENCE EDUCATION SANS BOUNDARIES

As part of Samaikya Educational Society, Epistemo Vikas Leadership School has undertaken new-age educational methods and modern teaching-learning programmes to bring together creativity and a divergent thought process to make students innovative and progressive, thereby making learning in true sense practical, useful and enjoyable.

Some of the key differentiators that make Epistemo Vikas Leadership School stand out from the rest are smart classes, science laboratories, language laboratories, coaching for competitive examinations and educational tours.

Equipped with world-class facilities, Epistemo Vikas Leadership School aims at comprehensive and overall development,

rather than focusing only on studies, for all-round personality development so as to prepare them to take on the challenges head-on in future. The spacious school campus boasts of large auditoriums, sports ground, well-furnished technology-enabled classrooms, healthy canteen, medical facility and resourceful libraries and laboratories.

BRINGING A PARADIGM SHIFT AND RADICAL CHANGE

Strongly believing that a paradigm change in education towards 'internationalism' is crucial, Epistemo Vikas Leadership School conducts several activities and programmes, namely STEM Robotics, IIT Foundation, Skills on Innovation, Model United Nations, etc. where students role play delegates to the United Nations and simulate UN Committees, Entrepreneurship, Talks and Awards, Fellowship Program, TEDx, Weekend Workshop and Active Citizenship.

In its organisational vision, it is further supported by highly devoted faculty, adequately backed by efficient infrastructure and pedagogy.
