A pioneer in the field of overseas education, Global Tree offers overseas assistance to students, working professionals and companies through education counselling, examination training, college application guidance, career counselling, visa processing and immigration advisement

Global Tree offers a one-stop solution to students, providing them services of immigration consultants to offer advice on which universities and colleges to choose, guiding them throughout the application process and providing them coaching to successfully complete the mandatory gateway exams like IELTS, SAT, GMAT, GRE, ACT and TOEFL.

DELIVERING ALL-INCLUSIVE PERSONALIZED SERVICES

The company aspires to be a global leader in career counselling to overseas aspirants, offering them end-to-end holistic solutions, and has been successful in winning their trust in overseas education segment through its exclusive partnership with some of the reputed schools and colleges all over the world.

The company has partnered with schools across India to identify highly competitive students wishing to pursue further study abroad and mentor them through a rigorous two-year education

program for successful absorption in Ivy League and other top-class global educational institutions.

The company provides consistent support to students even after their placement in overseas institutions through its immigration consultants, providing them pre-travel support through visa assistance, air ticketing, foreign exchange and post-landing support through accommodation on arrival and transportation from the airport in the desired location.

Moreover, the company also ensures that students are provided both physical and mental support while they undergo their overseas education to make them feel comfortable in their new location and provides them regular and up-to-date information about different cities around the globe through its website, blogs and alumni.

Global Tree also provides end-to-end support to professionals wishing to work and settle abroad. The company successfully runs its immigration centres in Hyderabad, Delhi, Chandigarh, Mumbai, Bangalore, Pune, Vizag and Vijayawada.

The company expanded its coaching division to meet the requirement of an in-house facility to provide meticulous coaching to students to prepare for various entrance examinations that are to be cleared to secure admission to premier universities overseas.

In its persistent endeavours to offer the best service to its clients and help them realize their overseas dreams, the company has acquired professional membership, affiliations and certifications from reputed international organizations including the Association of Australian Education Representatives in India (AAERI), Pearson's Test of English, the American International Recruitment Council (AIRC) and Education Certificate for Agents in the United Kingdom.

RECOGNIZED FOR INVALUABLE CONTRIBUTION

Having created associations with prestigious universities across the globe, Global Tree is highly acclaimed for its diligent service to young professionals and student community of India, and has been awarded for its valuable contribution.
