# QUTONE INNOVATIONS & MORE

## CREATING MARVELOUS ARTIFACTS

Dexterously producing premium digitally printed tiles, ceramic wall tiles, vitrified tiles as well as glazed vitrified tiles and adding new designs to the range every month in various sizes, colors and finish, Qutone offers finishes including polished, semi-polished, rustic, stone and mosaic, which are suitable for application in both residential and commercial spaces.

The brand is a pioneer in Imarble, which is the first of its kind and only product range in Asia which comes in a size of 1200 x 2400 mm, 800 x 2400 mm, 1200 x 1200 mm, 800 x 1600 mm and 800 x 1200 mm slabs.

Its IQ smart tile is a multi-specialty product; the very latest advancement in tile design and manufacturing owing to its excellent manufacturing units

which are equipped with cutting-edge technology, intense automation and zero chance of human error, and has enabled the brand to establish itself as a leader in ceramic solutions.

Apart from Imarble and iQ Smart Tile, Qutone also houses the Elegante Collection which is the unique decorative wall-cladding tile solutions and DGV T – Digital Glaze Vitrified Tiles and India's first Digitally Printed Wall Tiles all under one roof. Further continuing with its endeavor to present new innovations, Qutone has also added Robustone and Q-rock to its collection.

With an annual production capacity of 7 million square meters, which will

## TILING YOUR LIFESTYLE

A luxurious and vibrant signature space is not just made of products and furniture, but every bit of the space that reflects your choice, reflects you! Qutone has exactly decoded this feeling and has emerged as a brand that can Tile your Lifestyle and create signature spaces for your residence, office space, airports, and multiplexes, amongst others.

At Qutone it's not about just "Creating Innovations" but "Making Ideas Happen". Thus, Qutone is actively contributing to the country's success in a major way with its product range of 500+ solutions, all under one roof.

Established in 2008 as the dream project of like-minded visionaries, Mr. Manoj Agarwal, Mr. Sunil Manglunia and Mr. Rajeev Adlakha, the brand continues to push the envelope on tile capabilities globally, and continues to position itself as a premium international brand.

further increase to 15 million square meters in the near future, and a turnover of 600 crore approximately, in addition to the state-of-the-art 1.4 million sq. ft. manufacturing facility in Dhuva, Gujarat and two other plants in the state, Qutone has a pan-India network of over eight hundred dealers and operational presence in 9 cities across India.

### VALUING VALUES

The firm constantly acknowledges the endeavor and support it receives from its Team, Channel Partners and Valuable Customers in India and global offices, to make it a brand to reckon with.

Always being committed to the core values of integrity, ethical & fair business practices & responsibility towards customers & the environment, has been the prime agenda of Qutone besides maintaining excellent quality standards. Placed at the forefront of innovation & having a strong culture of commitment, the brand takes pride in developing leaders who create winning results & it always prioritizes its esteemed customers, suppliers, trade partners & its team. Being well aware of its responsibility towards the environment, the brand's sustainability initiatives range from reusing & recycling to employing green technology and reducing its carbon footprints.
