

BOMBAY STOCK EXCHANGE

TRANSITIONING INDIAN ECONOMY LANDSCAPE

Being the first stock exchange in Asia, pioneering securities transaction business, Bombay Stock Exchange has been the forerunner in bringing numerous innovations to the Indian capital markets and creating varied investment opportunities for the investors and traders

With a unique recognition claim of world's fastest stock exchange, with an average trade response time of 6 microseconds, BSE (formerly Bombay Stock Exchange Ltd.), founded by Premchand Roychand in 1875, is the world's 10th largest stock exchange with total market capitalization of more than USD 2.3 trillion.

BOOSTING INHERENT STRENGTH OF THE INDIAN ECONOMY

Established in 1875, the BSE is Asia's first stock exchange, and claims to be the world's fastest stock exchange, with a median trade speed of 6 microseconds. During the past 143 years, BSE has aided in the growth of the Indian businesses by providing them with an efficient capital-raising platform. In 2016, BSE established India INX, a fully owned subsidiary of BSE, which is the first international exchange of India.

STIMULATING GROWTH OF THE INDIAN CAPITAL MARKET

India's outstanding economic growth in

recent past has made it stand among one of the fastest growing world economies. With growing economy ushered a demand for a new framework – to bring in automation – and the BSE was automated in 1995, and since then it has significantly impacted the national growth by making Indian market safe and secure to transact in.

With a vision to emerge as the premier Indian stock exchange with adoption of best-in-class global practices in technology, products innovation and customer service, BSE provides a multitude of services to capital market participants such as risk management, clearing, settlement, market data services and education. In terms of accessibility, it has a nationwide presence and an international reach. BSE has designed its systems and processes such as to protect market integrity, stimulate growth of Indian capital market and foster innovation and competitive spirit across all market segments.

ENABLING BUSINESS

With renewed fervor and emphasis on

new business opportunities, product and service innovation, technology upgrades, increased investor and member focus, BSE with its group companies – BSE Institute Ltd, CDSL, ICCL, India INX, India ICC and Marketplace Technologies – has always forged ahead on all extremes and fronts, being mindful of its objective to continually improve and embrace new and better ways of conducting business.

BSE, being the first exchange in India to obtain ISO 9001:2000 certification, is also the first exchange in India to launch a special platform for trading in SME securities, S&P BSE SENSEX, exchange-enabled Internet trading platform, mobile-based trading; to introduce equity derivatives and SMS alert & complaint tracking system.

For BSE's pioneering role in developing Indian financial markets, it has won several awards namely Digital Innovation Award 2017, IT Genius Awards 2017, Best Brand Award 2017 by The Economic Times and Best Exchange of the Year Award for equity and currency derivatives.
