

Vikaasa Group of Schools believes in training its students to have a holistic personality, which enables them to awaken their inner selves and potentials. Their vision is to be a leading provider of quality education by nurturing creative thinking and instilling a sense of compassion for others in their students. They place great importance on extra-curricular activities like sports, music, art, and community service, as

they believe that education goes beyond academic excellence.

OFFERING INTERNATIONAL CURRICULUM

Vikaasa School, founded in 1969, is a co-educational school affiliated with CISCE, New Delhi. It offers classes from Pre-KG through XII and follows the ICSE and ISC syllabus. It has been designed to encourage students to be independent learners. The curriculum

encompasses General Knowledge, Soft Skills, Life Skills, Value Education and Socially Useful Productive Work (SUPW). Students of Class 11 and 12 can choose from electives ranging from Commerce/Business, Computer Science to Math, Biology to develop specializations. Vikaasa World School, launched in 2011, is the first IGCSE school in Madurai that runs classes from Pre-KG to XII and takes pride in its excellent teaching methodologies. It has a team of 46 well-qualified and dedicated faculty members who focus their energies on moulding students into a better version of themselves and make them ready to face the vicissitudes in life.

AN ENVIRONMENT CONDUCIVE TO LEARNING

Vikaasa has established two more campuses to provide quality education to its students in a happy, positive, and safe environment close to their homes. Beyond academic excellence and holistic development, they're equally committed to high standards of achievement and child care. The fabric of society is changing rapidly, which is further influencing the children's knowledge. As a result, the entire education system is continuously improvising itself to adapt and survive in the long term. Schools under the Vikaasa banner make their students adept in facing the challenges of the outside world with full confidence and responsibility. As a result, their students have been able to open up newer horizons through their independence and leadership skills, and have attended some of the most prestigious universities both in India and abroad. Vikaasa believes that the role of the teacher is no longer to provide information but to provide guidance in acquiring the skill of learning.

STATE-OF-THE-ART FACILITIES

Its spacious campuses come with well-furnished and well-ventilated classrooms, up-to-date and well-stocked library, fully-equipped auditorium, superfast internet in computer laboratories, and a large sports ground for playing basketball, cricket, tennis and football. Vikaasa Group of Schools has indeed transformed the definition of education by allowing its students to experience the sheer joy of childhood, and preparing them for tomorrow's world while keeping them rooted in the Indian ethos.

VIKAASA GROUP OF SCHOOLS

FULFILLING THE PROMISE OF QUALITY EDUCATION

The vision to provide globally-relevant education and an increasing need to inculcate cooperation and compassion to make students better citizens led to the establishment of Vikaasa Group of Schools. Under the able leadership of Chairman Mr. Biju Sudarsan, it is reckoned among the top schools in Madurai
