MIRACLE DRINKS

NATURALLY AMELIORATING LIFE

Miracle Drinks is an Ayurvedic invention, which along with the principles of allopathic medicines has proven to be an "elixir for life", the creator of Miracle Drinks, Mr. S.M. Raju, an agriculture science graduate, stumbled onto this discovery through his knowledge of medicinal plants. Over the time, his ayurvedic remedies have shown drastic results and people considered the breakthrough discovery as a miracle; hence, the name Miracle Drinks was coined by the people who were cured of their ailments by consuming Mr. Raju's invention.

Since its inception in 2015, the pre-eminently famous

Miracle Drinks has been established as a highly reliable brand to help customers get a tinge of natural elements encompassed in their modern-day routines. The gradually diminishing natural elements from lifestyle and food have made the modern man highly susceptible a host of ailments. Although the breakthrough allopathic science has claimed to establish an advanced medical care with progressive medical equipment and powerful medicines; it still struggles to conquer ailments like arthritis, gangrene, diabetes, kidney stones, cancer, and asthma. Thus, the persistent need to appreciate the development of ayurvedic

inventions exists.

Tested under NABL/ISO 17025 accredited laboratories, and all safety tests conducted as per FDA parameters, it is an extraordinary health drink that can be consumed without the prescription of a healthcare professional.

GURUKUL ASHRAM CONCEPT

Eminent personalities with various incurable health disorders have volunteered to appraise the Miracle Drink. The idea of helping a mass of public then generated and the potion was given to Mallur Flora & Hospitality Private Limited, a Bangalore based company for commercial

production. However, the deal encompassed a condition that the sale of the potion is contributed for the educational expenditure of poor rural children in Gurukul Ashram Concept.

The Miracle Drink is a 100% herbal product that is a mixture of raw materials handpicked from various states of India. It is an elixir that contains herbal decoctions & contains no aflatoxins, pesticides or metals. It is an OTC (over the counter) product, which has no side-effects and requires no physician prescription for purchase.
