MY KIND OF SHISHA

Started by an enthusiastic group of four young and vivacious men, My Kind of Shisha (MYKOS) has amalgamated the traditional Hookahs into the urban routines seamlessly. MYKOS has redefined the whole Shisha smoking experience by introducing a motley of flavors and alluring ambience mixed with the satisfying slurp of magic liquids, offering an out-of-the-world experience to its customers

Developed in Northwestern India around 1,000 years ago, Shisha smoking has been a pertinent part of the lifestyle since ages. This tradition of passing breezy evenings under open sky clouded with rings of smoke have been elevated to a trend of which the urban youth has become a fan with the rise of Shisha lounges. The transformation of Hookahs from ornamental centre-pieces of tables to the centre of whole occasion has been triggered by the incorporation of new and fresh elements in the taste and aroma of the usual water pipes. Shitij Malhotra, Sameer Mago, Siddhanth Malhotra, and Dishant Bandulla are taking this trend a notch higher with My Kind of Shisha – the only dedicated Hookahs Catering and Rental Company in Delhi-NCR. MYKOS celebrates the spirit of revolutionizing urban trends which are mixing the rooted authenticity of age-old practices in the new-age style and suave culture.
