EMPOWERING EDUCATION

Education plays a vital role in nurturing the life of an individual at a tender age. There are only handful of schools who are fully committed towards imparting quality education, one of the leading brands taking care of the holistic development of students is Ryan International Group of Institutions.

It has been four decades of the Ryan Group to be schooling students to become responsible and talented individuals through their spiritual, value-

based, and efficient teaching-learning process. The Group proudly celebrates educational exuberance of the Ryanites distinguishing themselves in all spheres – Academic (with a large multitude securing admissions into the best higher education institutes like IITs, NITs, Law Colleges, Medical Colleges, etc.) and extracurricular activities.

Today, the name Ryan International Group of Institutions stands tall to be a recognized name in K12 Education in India. Ryan Group established its first school in Mumbai, nearly four decades ago by Chairman, Dr. A. F. Pinto and Managing Director, Madam Grace Pinto. Ryan International is now India's biggest privately owned and highly organized chain in the country. The Ryan Schools are the preferred choice for parents, and this has been established through neutral third party surveys. The group is grateful to God for all the success and growth over the last four decades. Ryan Schools are seen as providing all-round development for children where multiple platforms are provided for students to showcase their talents.

It was ambition backed by

entrepreneurial acumen of the management behind the success story of the Ryan International Group of Institutions. They have a different style of management, and they make sure to not only educate but counsel, nurture and inspire their students so they grow up as confident leaders.

THE BATON CARRIER

Apart from resilience, the hallmark of a good school lies in its philosophy and Ryan International Group of Institutions leads on strong motto of 'Excellence in Education and All- Round Development' and it drives the groups' efforts into achieving the organizational vision. It is supported by a very devoted faculty, which is well-trained and is backed by efficient infrastructure and Information Technology. One of the essential aspects of studying at Ryan Schools is the strong

emphasis on value-based education. As part of this learning philosophy, students are constantly trained to grow up as responsible citizens without a self-centered worldview.

Ryan International Group of Institutions also runs a number of community based welfare projects which ensure the holistic growth of the society. The aim of such projects is to nurture talent that has social change close to its heart. As a part of the social responsibility campaign, they organize regular awareness drives to promote greater understanding of the

environment. It has been at the forefront of many plantation and cleanliness drives with active participation from the student, parent and teaching communities.

The Group is rightly positioned as affordable, high-quality English medium schools focusing on Excellence in Education and All- Round Development of the children. They have also introduced concepts such as theater festivals and model United Nations on a grand scale. Ryan International Group of Institutions offers the widest range of curricula including State Board (SSC), ICSE, CBSE, IGCSE and IB.

Ryan International Group of Institutions earned the credit of being the first in the country to host the International Children's Festival of Performing Arts (ICFPA) and Indian Model United Nations (INMUN). The Group has also organized the prestigious World Scholar's Cup with record-breaking participation, which is now the largest-ever regional round in the history of the World Scholar's Cup.
