

POWERFUL

PRESTIGE GROUP of INDUSTRIES & EDUCATION SOCIETY

THE INDUSTRIAL BARONS

As stalled industries need to get going, well established business like Prestige Group is reviving the sectors investment and growth. The brand *Prestige* is a name synonymous to success in the Indian Soybean sector and Agribusiness.

Prestige Group has been climbing the success ladder at a great pace. Besides, in the last two decades the Group has ventured into the Education sector becoming one of the most reputed Professional education providers of Central India. The brand has occupied a prominent space in the list of eminent Food & Agri companies operating in India. Prestige Group has earned to be one of the renowned names in Agri-based Processing, International Business and Education sector. With a highly qualified team of production engineers, trained technicians, food nutritionists, quality control and R&D specialists, the Group aspires to take the agro processing industry to new heights.

EYEING BIG

The brand started its journey back in 1977 with an Animal Feed Milling Plant under the guidance of Dr. N.N. Jain, the Group Founder Chairman who is not only

a visionary, Technocrat, entrepreneur but a social reformer too.

Today, the group has expanded its horizon to diversified areas in order to become an agribusiness conglomerate in the past four decades. Prestige Group is well-celebrated for its fair dealings, quality products and services and has also set a benchmark in diverse business domains such as Soya Processing and Edible Oil Refining, Wheat Milling, Cattle Feed Milling, and LPG Cylinders manufacturing.

Apart from being a reputed name at national front, the company has a strong hold in the international trading as well. Today, the Group is imbued with a forward-looking vision to acquire a global perspective and become a first-rate agribusiness conglomerate.

Prestige Group initiated Soybean

Processing Solvent Extraction Plants followed by Edible Oil Refining Industries in the year 1980-81. With hard work, Prestige Group has managed to establish itself as India's leading Export Trading House with noteworthy presence in more than 40 countries. The brand has been one of the major exporters in Agri-Products & Commodities in 60 countries of Asia, Africa, Europe, and the Middle East.

According to Mr. Dipin Jain, Joint President of Prestige Group, the continuous innovation and quality products are the key strength of the Group.

EDUCATING THE YOUTH

Apart from benefitting the sectors of operations, Prestige Group is also known for its contribution towards serving the society. It was in 1994 when the Group first inaugurated its Management Institute with a view to create and groom numerous professional leaders to empower society.

Today, Prestige Education Society is one of the most important pillars of Prestige Group and is sponsoring world class management and technical institutes and private schools all over central India. It includes three Management Campuses, one Engineering campus, one campus of Department of Law, and two schools spread over different cities of Madhya Pradesh, India. Prestige Education Society provides education to more than 10,000 students from Kindergarten to Ph.D. Prestige Education Society provides cost effective high quality education in line with its objective to educate, train and empower youth of India to become Global leaders of tomorrow. Institutions under Prestige Education Society are known for excellence and innovation in teaching, learning, research, training and consultancy.

Dr. Davish Jain President & Vice Chairman of Prestige Group believes that it is the responsibility of each and every individual to take substantial initiative that will augment prosperity of the society. It is his astute leadership that the group has achieved many laurels while surpassing the mile stones of success.
