HOMELAND GROUP

Homeland Group is a name that has come to the fore and is establishing itself as a leader in every market that it chooses to venture in. This prestigious conglomerate of the Indian Subcontinent has a huge turnover of about USD 400 Million. Its dedicated actions have assisted the Group in attaining a sound status in the industry and will also direct it towards a triumphant tomorrow

With an aim to become one of the best conglomerates across the lengths and breadths of the country, Homeland Group is looking forward for the endless opportunities that are present in various industries. Values such as excellence, trust and integrity hold the Group's vision together and direct it to look for the best opportunities available in its course of substantial growth and development.

MULTIDIMENSIONAL GROWTH

In the past year, Homeland Group has entered into several markets such as manufacturing, processing of vanaspati, refined oil, solvent oil and by products, trading of crude edible and non-edible oils, pesticides and insecticides, retail, real estate, social welfare, education, cotton spinning, hospitality, etc.

Some of its well-established ventures are:

HOMELAND CITY PVT. LTD.

Among the strong and valued steps that the Group takes in building the country, Homeland City proves to be a fervent residential subsidiary. The company was incorporated in the year 2005 with a vision to transform the residential and commercial developments in India.

Some of its magnificent landmarks are Homeland Heights Residency, Homeland City, Homeland City Mall, etc. This subsidiary certainly thrives to work in the alignment of the Group's vision of "Improve Standard of Living".

JINDAL OIL & FATS LTD.

This manufacturing arm of the Group is involved in the manufacturing of Vanaspati Oils, dehydrated vegetable oils and import of various kinds of edible as well as non-edible oils, fats and related products.

The company pays a great attention towards the quality and hygiene of the products that they offer. The company's efficient infrastructure makes it possible for them to give the excellent results that have helped them in creating a high brand value in the market.

ITL PUBLIC SCHOOL

Homeland Group believes in the philosophy of giving back to the society and that is why it has stepped into the field of education with ITL Public School to provide world class education to the leaders of tomorrow.

The school has great infrastructure that contributes to the wholesome growth of the students. Because of its splendid performance, the school has received the International School Award as well. In addition, the school also takes its student on various international tours for their educational exposure.

Apart from these, some other famous subsidiaries of the companies are: HL Hotel & Resorts Pvt. Ltd., AHR City Project Pvt. Ltd, GI Industries Pvt. Ltd, Home Land City Mall, HL Hotel & Resorts Pvt. Ltd., AB Cotspin Pvt. Ltd., etc.

THE PHILANTHROPIC APPROACH

Homeland Group believes that a company's growth is related to the growth of its society and the people directly or indirectly. Keeping this belief in the mind, Homeland Group always takes up new measures which would lead to the upliftment and betterment of its surroundings. It follows the unique strategy of sustainable development and human growth.

For the maintenance of the Gaushalas of Mohali and Bathinda, the group asserts that it contributes around five percent of its sales revenue. Further, they also adopt preventive measures so that the company's real estate arm does not inflict any harmful effects on the environment. In Homeland Group, one finds that there is equal respect for all irrespective of anyone's position in the company. Each and every individual receives constant motivation from his/her employers and gets a fair chance to prove his/her mettle.
