# MY HOME GROUP

My Home Group has emerged as the curator of the most perfect homes and people by engaging in the real-estate, power, and education sector simultaneously. The group aims to create the best societies which will add up to the development process of the country. It is decorating the skyline of Andhra Pradesh since years and has a vision to spread its wings all across India becoming a market leader

**A** home can't be built with four walls only. It is made up of million little things and trillion big dreams. It is not just bricks and cements but smiles and tears too. Constructing a house might be easy but building a home requires efforts and compassion. The people living in the house define its existence and their character is reflected through every point of the place.

My Home Group is dedicatedly constructing strong and beautiful homes in Andhra Pradesh for years. The group's dedication and firm commitment towards its customers is the reason it is hiking the success mountain steadily.

## **BUILDING GRANDEUR**

The entry of My Home Group in the market was marked by its wing My Home Constructions Pvt. Ltd. This real estate company is one of the best in Hyderabad and has paved the path for the superb progress which My Home Group has seen in about four decades.

My Home Constructions' tremendous skills and futuristic vision was visible from its flagship project 'My Home JM Apartments' and it helped the company to gain popularity in just no time. In less than 40 years My Home Constructions have built as many as 14 residential and commercial projects with a total

built up area of 7.15 million square feet and have won hundreds of hearts with the quality of its projects. The company's projects are the epitome of aestheticism and class, and are well-known for timely completion with unmatched strength and unparalleled designs.

After the immense success of its real estate properties, My Home Group stepped into the production of the most important component of construction business- Cement. In a joint venture with CRH Plc, Ireland, the international leader in building materials, My Home Group set up 'My Home Industries Limited' which produces Maha Cement.

My Home Industries Limited is currently one of the most successful and fastest growing cement manufacturing companies in India. In a very little time it has acquired an annual production capacity of 5 million tonnes and has achieved phenomenal success in the whole of south India as well as Maharashtra, Orissa, Bihar, Jharkhand, Chattisgarh, and West Bengal. It has made a distinct name for itself and has earned a reputation for quality, reliability, and energy efficiency while producing the finest quality of cement which is marketed through a vast network of 2600 dealers.

#### FOR A WHOLESOME SOCIETY

MHG's leader Dr. Jupally reckons that education is the most powerful weapon that can assure victory in any challenge which the life offers. Thus, with the belief that quality education is the right of every child, he incepted My Home Educational Society, which started the Little Scholar School in Hyderabad in 1991. The school now has a branch in Mallacheruvu also. The institution is an English medium co-education school catering to students from Nursery to Class X. Little Scholar School is affiliated to the Central Board of Secondary Education (CBSE, New Delhi). Knowing the potential that the future generation holds, MHG nurtures them with the knowledge which not only makes them analytical but also empowers their principles and moral values.

The group has also been contributing to the ever-growing power sector of the country since the year 2000 when it acquired naphtha based CGCT plant which is now run by My Home Power Ltd. The company then went ahead to start My Home Power Consultancy Services Ltd. in 2005. The consultancy firm is one amongst the most trusted firms across India and has an eminent portfolio of clients like Visaka Industries Ltd., Ramky Pharma city Ltd., Orissa Sponge Iron Ltd., Aurobindo Pharma, and Amreli Power Projects Pvt. Ltd. It also boasts of a few overseas projects like large scale consultancy assignments in Syria, Saudi Arabia, and Bangladesh in partnership with M/s Finnacle Capital Advisors Private Limited.
