

WORLD'S
100
BILLIONAIRES
2016

AS THE YEAR 2016 APPROACHES TO A GLORIOUS FINISH, URS-ASIAONE IS READY WITH ITS LIST OF WORLD'S TOP 100 BILLIONAIRES 2016. THE LIST IS ENTIRELY BASED ON THE NET WORTH OF EACH INDIVIDUAL. IT IS AN AWE-INSPIRING LIST, AS EVERY NAME LISTED HERE IS AN INSTITUTION IN HIMSELF/HERSELF, WITH THEIR NET WORTH COMPARABLE TO ANNUAL BUDGETS OF SOME COUNTRIES. WE HAVE WEAVED SHORT INTERESTING STORIES AROUND THESE NAMES, WHICH WOULD ENTICE ALL READERS AND AFICIONADOS.

1

BILL GATES

Net Worth: \$75 billion
Technology Advisor, Microsoft

A business magnate, investor, author, philanthropist, and world's richest man, Bill Gates is one of the pioneers who revolutionized the Personal Computer space. The founder of Microsoft Corporation, Gates was born in Seattle Washington to William H. Gates, Sr. and Mary Maxwell Gates. Gates was an exceptional student but found the true meaning of excellence in the computer lab of his school. The technocrat's interest in the world of machines led him to develop Microsoft Corporation at an early age of 19 years with his close ally Paul Allen.

Despite huge success his firm brought, Bill Gates likes to remain a low-key person. He is pushing for world peace, hunger elimination, elimination of polio & malaria, and development and expansion of childhood vaccinations through Bill & Melinda Gates Foundation.

2 AMANCIO ORTEGA

Net Worth: \$67 billion
CEO, Inditex and COO, Daez

The wealthiest retailer of the world, Amancio Ortega remains a name little known. This self made man lets his actions do the talking and prefers to stay away from the limelight.

The co-founder of the Inditex fashion group, best known for its chain of Zara clothing and accessories retail shops, this Spanish business magnate started manufacturing textiles through a small family company in 1963 before co-founding Zara with Rosalía Mera in 1975. The firm gained massive popularity in Europe rapidly and he went ahead opening his first store in America in 1989. Today, his empire includes Massimo Dutti, and Pull&Bear along with Zara—all very popular amongst the millennials.

3 WARREN BUFFETT

Net Worth: \$60.8 billion
Chairman & CEO, Berkshire Hathaway

This 'Oracle of Omaha' is well known globally as the most successful investor in contemporary times due to his hawk's vision in identifying valuable stocks.

What makes this man a role model for many generations is not his bank balance but the amount of positivity and generosity he carries in his heart. He himself leads a frugal lifestyle to improve the quality of living for others. Warren Buffett has pledged to donate 99% of his wealth for philanthropic causes and works in close tandem with Gates Foundation to make this world a better place to live in. Warren Buffett is very active in contributing towards political causes also. He endorsed Democratic candidate Hillary Clinton for US President during the 2016 campaign season.

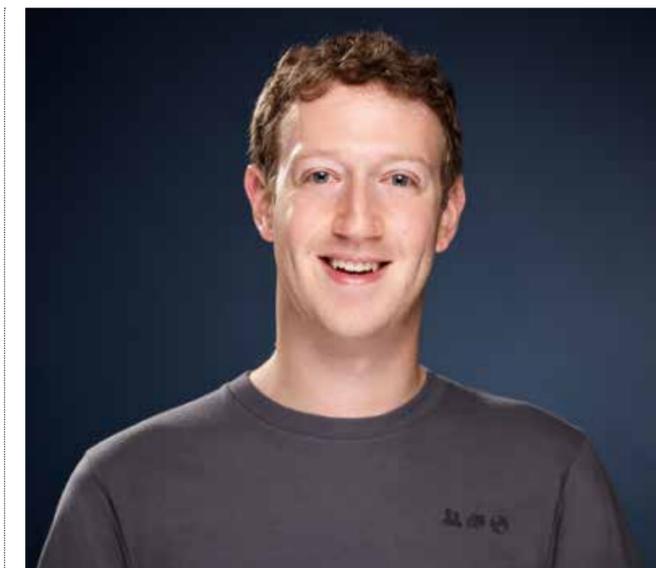

4 CARLOS SLIM HELU

Net Worth: ~\$50 billion
Chairman & CEO of Telmex and América Móvil

With a net worth equating about 6 percent of Mexico's gross domestic product, Carlos Slim Helu is an epitome of astounding business acumen.

Through extensive holdings in a considerable number of Mexican companies through his conglomerate Grupo Carso, he has his hands in most of the business portfolios one can think of- from education, health care, industrial manufacturing, transportation to real estate, media, energy, hospitality, entertainment, high-technology, retail, sports, and financial services. His real estate company Inmobiliaria Carso owns over 20 shopping centers, including ten in Mexico City, and operates stores in the country under U.S. brands including the Mexican arms of Saks Fifth Avenue, Sears and the Coffee Factory.

Apart from leading a successful empire Slim has an avid affinity for baseball as well and he is a big supporter of the New York Yankees.

6

MARK ZUCKERBERG

Net Worth: \$44.6 billion
Chairman and CEO, Facebook

The 32 year old founder of social media giant Facebook, Mark Zuckerberg is the youngest in the list of world's richest people. This programming wizard effectively changed the way how world communicates through his out-of-the-box idea of launching the interactive online platform of Facebook. He acquired leading sites Instagram and Whatsapp as well adding laurels to his portfolio.

Mark Zuckerberg is a great philanthropist too. He has made several donations to various educational and social organizations across USA. Zuckerberg along with his wife Priscilla Chan has pledged to spend a huge portion of their fortune to manage, cure or prevent all diseases by the end of the century.

5 JEFF BEZOS

Net Worth: \$45.2 billion
Founder, Chairman & CEO, Amazon.com

With a simple idea to sell books online growing into the largest online store which sells 'everything', Jeff Bezos' fate led him to the traverse of acquiring entrepreneurship excellence. His firm commitment and dedication are well reflected in the workings of his brainchild Amazon and today, Jeff Bezos is counted amongst the most successful businessmen of the century.

Apart from e-retailing, Jeff Bezos has a keen interest in space and newspapers. His aerospace company, Blue Origin is working towards making a reusable rocket that can redefine the conventional way of space travel. And he also purchased the much-popular newspaper The Washington Post in 2013. He has forayed into online-video streaming business as well.

7 LARRY ELLISON

Net Worth: \$43.6 billion
Executive Chairman and CTO, Oracle Corporation

Larry Ellison founded Oracle Corporation inspired by a paper written in 1970 by Edgar F. Codd on relational database management systems (RDBMS). With revolutionary ideas and effective leadership he made Oracle the second-largest software maker by revenue in 2015. Not just business, Larry Ellison is passionate about yachting and aviation as well. He is a licensed pilot and

owns several aircrafts. He is also very fond of collecting cars and has his own America's Cup sailing team. He is the owner of Indian Wells Tennis Garden tennis facility in California's Coachella Valley and the Indian Wells Masters tournament too. An altruistic personality, Ellison donates up to 1% of his wealth for charity every year and is one of the signatories of The Giving Pledge.

8 MICHAEL BLOOMBERG

Net Worth: \$40 billion
 Founder and CEO, Bloomberg LP

A leading business magnate and former mayor of the New York City, Michael Bloomberg is an effervescent personality who doesn't believe in mincing his words. His sense of community brought him the honor of becoming one of the America's youngest Eagle Scout in 1958. Before starting Bloomberg LP which is a global financial data and media company in 1981, Michael Bloomberg started his career from securities brokerage Salomon Brothers.

Michael Bloomberg is a dedicated environmentalist and is well known for his fight against the rise of obesity in the society. Through Bloomberg Philanthropies foundation, he is working towards improving public health, the arts, government innovation, the environment, and education globally.

11 LILIANE BETTENCOURT

Net Worth: \$36.1 billion
 Principal Shareholder, L'Oreal

The richest woman in the world, Liliane Bettencourt is the only child of Louise Madeleine Berthe and Eugene Schueller, who founded L'Oreal in 1907. She developed an interest in business at an early age and started helping her father as an apprentice in his company when she was just 15 years old. She became the Deputy Chairman of L'Oreal during

9 CHARLES KOCH

Net Worth: \$39.6 billion
 Chairman and CEO, Koch Industries

An alumnus of Massachusetts Institute of Technology, Charles Koch is efficaciously leading Koch Industries, the second-largest privately held company by revenue in the United States. He became the Director of Koch Industries in 1982 and has worked with several other corporations including Entrust Financial Corp. and Georgia-Pacific LLC, paper and pulp products.

A firm supporter of libertarian and free-enterprise policy, Charles Koch is the co-founder of the Cato Institute. He is actively engaged in philanthropic activities focusing on research, policy, and educational projects intended to advance free-market views. He has made enormous donations to many educational institutions in the United States. He has also authored a book.

10 DAVID KOCH

Net Worth: \$39.6 billion
 Vice President, Koch Industries

A political activist, and chemical engineer, David Koch joined the family-run Koch Industries in 1970. His astounding business sense is harbored by his intense political acumen. He was the Libertarian Party's vice-presidential candidate in the 1980 US presidential election.

David Koch believes in social liberalism and avidly supports women's right to choose, gay rights, same-sex marriage, and stem-cell research. He also advocates individual liberty and free market principles supporting reduced government spending. Koch has contributed to several charities including Lincoln Center, Sloan Kettering, New York-Presbyterian Hospital and the Dinosaur Wing at the American Museum of Natural History.

the 1950s and inherited the legacy of this popular cosmetic brand in 1957 after her father's demise. Today, along with her children she owns 33% of the shares of the empire.

This philanthropist founded the Bettencourt Schueller Foundation with her husband and daughter in 1987 to support and develop medical, cultural and humanitarian projects.

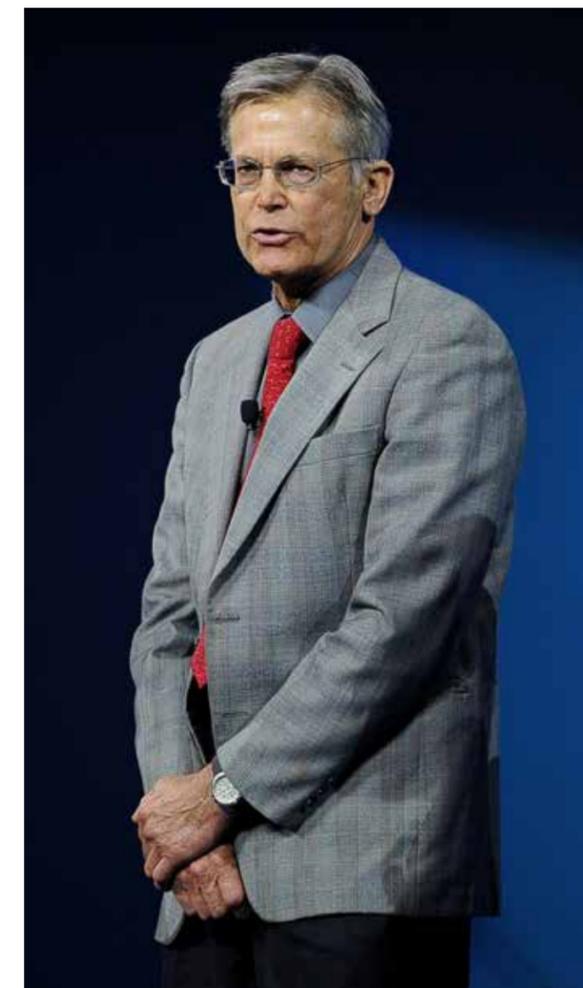

12 LARRY PAGE

Net Worth: \$35.2 billion
 CEO, Alphabet Inc

Born to computer science professors, Larry Page was fascinated towards technology from a very young age. His house which was filled with computer, science, and technology periodicals made him immerse in the vast world of technological intelligence.

The computer enthusiast always knew that he wanted to invent something and had a keen eye for business ethics as well. He co-founded Google in 1988 to follow his passion towards entrepreneurship and science. He is also the creator of PageRank, Google's best-known search ranking algorithm.

Larry Page's other interest lied in music composition and he used to play saxophone. He is doing his bit for the environment through Google.org which promotes the adoption of plug-in hybrid electric cars and other alternative energy investments.

13 SERGEY BRIN

Net Worth: \$344 billion
 President, Alphabet Inc.

The co-founder of Google which is world's largest search engine, Sergey Brin wants to resolve the biggest world problems using technology.

Born in Russia, Sergey Brin's family immigrated to America in 1979 when he was just 6 years old. His interest in Science and Math was triggered by his father who was a Mathematics professor. He met Larry Page at Stanford University and they together launched Google in 2004. Sergey is currently involved in the activities of Google X, which is developing self-driving cars as well as airborne wind turbines and a network of balloons to provide Internet access to less developed areas of the world.

He also did a small acting stint in an American comedy 'The Internship' where he did a cameo as himself.

14 BERNARD ARNAULT

Net Worth: \$34 billion
 Chairman & CEO, LVMH

Giving luxury a new definition, the French business magnate Bernard Arnault is overseeing an empire of 70 brands including Dom Perignon, Bulgari, Louis Vuitton, Sephora, and Tag Heuer, as well as 3,700 retail stores, all under the umbrella of LVMH. Bernard Arnault joined his father's construction company in 1971 soon after his graduation and later persuaded him to focus on real estate. He overtook his father as the President of the new company in 1979 and created LVMH Moët Hennessy Louis Vuitton SE in 1987.

Bernard Arnault is an ardent art enthusiast and a noted art collector. His contemporary art collection includes gems like pieces by Picasso, Yves Klein, Henry Moore and Andy Warhol.

15 JIM WALTON

Net Worth: \$33.6 billion
 Chairman, Arvest Bank

The youngest son of Wal-Mart founder Sam Walton, Jim got his marketing degree from University of Arkansas at Fayetteville. Jim Walton was an active child and was the president of his junior class, played football at all-state level, and also learned to fly a plane before graduating from Betonville High School. He inherited his exceptional entrepreneurial skills from his father and has been an active part of the family business from a young age. Jim Walton joined Walmart in 2005 as the director and retired from the board in June 2016. He currently heads other legacies of his family, Arvest Bank and Community Publishers.

16 ALICE WALTON

Net Worth: \$32.3 billion
Heiress, Walton family fortune

One of the heirs of a leading retail chain Wal-Mart, Alice Walton did not take an active role into family business unlike her siblings. She in fact became a patron of art and began collecting watercolor pieces in the 1970s. With time she moved to buy more original pieces — particularly those by classic American artists. Her immense personal collection now includes pieces from Andy Warhol, Norman Rockwell, and Georgia O'Keefe among others.

She even made a brief career in equity analysis and founded her own investment bank in 1988 called Llama Company and closed it after a decade. She then opened Crystal Bridges Museum in Arkansas to house her \$500 million collection in 2011.

17 S. ROBSON WALTON

Net Worth: \$31.9 billion
Board Member, Walmart

Born in 1945, as the first son to Sam Walton, the founder of Wal-Mart, S. Robson studied business administration in the University of Arkansas, and later received a Jurisprudence Doctorate from New York's Columbia University School of Law. He was also a member of the Lambda Chi Alpha fraternity.

S. Robson Walton is a follower of his father's entrepreneurial skills. He joined Wal-Mart as senior vice-president in the year 1978. Before that he was working in Tulsa, Oklahoma with Conner & Winters, the law firm which represented Wal-Mart. The heir of an altruistic family, he along with his siblings has pledged about \$2 billion to the Walton Family Foundation.

18 WANG JIANLIN

Net Worth: \$28.7 billion
Chairman, Dalian Wanda Group

The Chairman of China's largest real estate developing firm which is also the world's largest movie theater operator, Wang Jianlin served in the People's Liberation Army between 1970 and 1986. After that he started working as the Office Administrator for the Xigang District in the city of Dalian and became the General Manager of Xigang Residential Development in 1989.

Wang Jianlin started working for the Dalian Wanda Group in 1992 as General Manager and was elevated to the post of CEO just a year after because of his exceptional skills and planning. He has also authored a book named The Wanda Way which includes his renowned 2013 China Central Television Voice interview, his speech and question-and-answer session to the Harvard Business School, and Wang Jianlin's business philosophy on Wanda's real estate, resort, and movie units.

19 JORGE PAULO LEMANN

Net Worth: \$27.8 billion
Founding Partner, 3G Capital

Brazil's richest entrepreneur Jorge Paulo Lemann is a self-made man who with sheer determination crafted a career which many people can only dream of. This genius investor started his career as a trainee at Credit Suisse in Geneva and eventually grew into one of the best businessmen of today's time. Presently he is the owner of Budweiser and Burger King and shares the ownership of Heinz with Warren Buffett. This Harvard University graduate in Economics possesses a fearless temperament when it comes to making bets in the market.

Lemann has a great passion for sports. He has been a five-time national champion and has represented both Brazil and Switzerland in the Davis Cup. It was after competing at Wimbledon that he ceased to pursue his tennis ambitions.

20 LI KA-SHING

Net Worth: \$27.1 billion
Chairman, CK Hutchison Holdings

Forced to drop out of school to support his family, Li Ka-shing's journey to become one of the richest people on the planet is an inspiring one. Li opened his first factory- Cheung Kong Industries in 1950 at an age of 22. The factory used to manufacture plastic flowers as he anticipated the boom which the plastic market saw in coming years. He moved into property development in 1979 with the acquisition of Hutchison Whampoa.

Along with being one of the leading property developers, Li Ka-shing through his various companies controls 70% of the port traffic and a major portion of electric utilities and telecommunications market in Hong Kong.

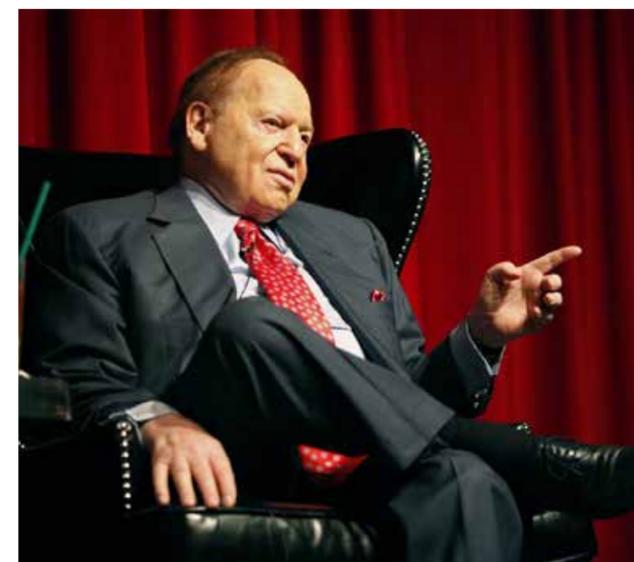

21 BEATE HEISTER & KARL ALBRECHT JR.

Net Worth: \$25.9 billion
Board Members, Aldi Grocery Store

Beate Heister & Karl Albrecht Jr. are the children of Karl Albrecht Sr., the co-founder of Aldi Grocery Store and Aldi Seud. Karl Albrecht Jr. has worked at several positions at the supermarket chain which propagated the discount revolution in German retailing. He had to withdraw from professional duties because of cancer disease which he successfully overcame. Though Beate Heister has never worked at Aldi Sued directly, she has been an active member of the advisory

board along with her husband Peter Heister, and her son Peter Max Heister.

The Siepmann Foundation is believed to own at least 75% of Aldi Sued, with the rest owned by charitable foundations that support cardiovascular system research as well as cultural and other projects. Beate's husband and children, along with Karl Jr.'s wife, Gabriele Mertes, are all believed to have a share in the fortune.

22 SHELDON ADELSON

Net Worth: \$25.2 billion
Founder, Chairman and CEO, Las Vegas Sands

The Casino Billionaire has built his own fortune by continuously exploring and evolving his entrepreneurial skills. Sheldon Adelson has created around 50 businesses of his own over the course of his business career. He started his business career at the age of 12 by selling newspapers. His next venture was candy-vending machines and later he attended trade school to become a court reporter. Sheldon subsequently joined the army and after being discharged from there he tried his fate in a business selling toiletry kits.

In 1988, Adelson and his partners purchased the Sands Hotel and Casino in Las Vegas, and constructed the Sands Expo and Convention Center, then the only privately owned and operated convention center in the US the following year.

23 GEORGE SOROS

Net Worth: \$24.9 billion
Chairman, Soros Fund Management

Born in Budapest, George Soros fled communist-dominated Hungary in 1947 for England after surviving through the Nazi occupation there during World War II. He graduated from London School of Economics and then went to settle in USA where he accumulated a large fortune through the international investment fund he founded and managed.

The author of over a dozen books, Soros has been active as a philanthropist as well since 1979, when he began providing funds to help black students attend Cape Town University in apartheid-ridden South Africa. The Open Society Foundations today operate in more than 100 countries, with annual expenditures that reached \$835 million in 2011, working to promote the values of open society, human rights, and transparency.

24 PHIL KNIGHT

Net Worth: \$244 billion
Chairman Emeritus, Nike, Inc.

A man who was told several times that he won't be able to make it big, Phil Knight showed the world that nothing can shake the firm belief he has in his capabilities. He answered the numerous apprehensions by creating the world's No. 1 athletic-shoe company- Nike, which he co-founded in 1963 with his track coach Bill Bowerman under the name Blue Ribbon sports. His inspiration behind this massive success is the entrepreneurial spirit and determination of Olympic athlete Steve Prefontaine.

A great philanthropist at heart, Phil Knight has made several donations to University of Oregon and Stanford Graduate School of Business. He made the largest donation in history at the time to Stanford's business school in 2006. In 2016, he again matched the record for the largest individual donation ever to a university with a \$400 million gift to Stanford's new Knight-Hennessy Scholars Program.

25 DAVID THOMSON

Net Worth: \$ 23.8 billion
Chairman, Thomson Reuters

The third generation of Canadian media tycoon Roy Thomson, the founder of Thomson media empire, David Thomson is a visionary and a determined soul. Before becoming the Chairman of Thomson Corporation in 2006, he worked at a number of positions in the family business. He was manager of The Bay store at Cloverdale Mall in Etobicoke and President of Zellers. He also ventured outside the Thomson Empire and founded the real estate firm Osmington Incorporated.
