

A dedication to life Medanta – The Medicity is one of India's largest multi-specialty institutes located in Gurgaon, a bustling town in the National Capital Region. Founded by eminent cardiac surgeon, Dr. Naresh Trehan, the institution has been envisioned with the aim of bringing to India the highest standards of medical care along with clinical research, education and training. Medanta is governed under the guiding principles

of providing medical services to patients with care, compassion, commitment. Spread across 43 acres, the institute includes a research center, medical and nursing school. It has 1250 beds and over 350 critical care beds with 45 operation theatres catering to over 20 specialties. Medanta houses six centers of excellence which will provide medical intelligence, cutting-edge technology & state-of-the-art infrastructure with a well-integrated & comprehensive information system.

Medanta – The Medicity brings together an outstanding pool of doctors, scientists & clinical researchers to foster collaborative, multidisciplinary investigation, inspiring new ideas & discoveries; & translating scientific advances more swiftly into new ways of diagnosing & treating patients and preventing diseases.

A one-of-its-kind facility across the world, Medanta through its research integrates modern & traditional forms of medicine to provide accessible and affordable healthcare. "The Institute is governed under the guiding principles of providing affordable medical services to patients with care, compassion & commitment."

WORKING TOWARDS A BETTER TOMORROW

The institution proudly says that, "Our mission is to deliver world class health care by creating institutes of excellence in integrated medical care, teaching and research. We aspire to create an ethical & safe environment to treat all with respect and dignity." Medanta Mediclinic is a multi-specialty clinic and day-care facility set up by Medanta – The Medicity as an extension of our flagship hospital in Gurgaon. The Mediclinic is the outcome of our desire to extend Medanta's commitment to excellence in healthcare and will serve as an alternative location for patients to access Medanta's world renowned doctors.

Set up as a 'Daycare only' facility, Mediclinic will offer outpatient consultancy, wellness programs, dialysis, endoscopy, diagnostic testing and day care related surgeries across all specialties. Medanta - The Medicity brings together an outstanding pool of doctors, scientists and clinical researchers. Together they foster an environment, inspiring new ideas and discoveries, translating scientific advances more swiftly into new ways of diagnosing, treating patients and preventing diseases.
