SPONSOR THE EVENT

Led by a bold plan to boost foreign trade and investment and "double the size" of its economy by 2033 and consolidate its position among the top three global cities, Dubai will accomplish the objective through "100 transformative projects". The new economic agenda would also add 400 cities to Dubai's list of trading partners, increasing foreign trade in the coming decade by 44 percent to 25.6 trillion dirhams. The plan has a place for every business, making the Forum a must-attend event. The Forum would be a one-day affair with Panel Discussions on Business & Economy, and Trade & Services, followed by Awards in the evening, with a cultural programme.

ASIA'S GREATEST BRANDS & LEADERS 2023 – THE CONCEPT

The 21st Century belongs to Asia, and this is being vindicated in the post-pandemic world. Asian economies have not only managed to bounce back fastest from the impacts of the pandemic, but have also made significant progress towards clean energy. Key drivers of the continent's remarkable growth story are its demographic dividend and innovation.

Due to its size, population, resources and opportunities, Asia also has a major influence on world's culture and economy. Countries such as Japan, India and South Korea lead the Asian continent and the world in its products and services, which are used by every nation in the world.

To celebrate and honour the success of Asia as a continent and the freedom and opportunities Asia offers, URS Media Consulting PL and URS-AsiaOne magazine have brought to you a unique platform where the 20th Edition – Asian Business & Social Forum (ABSF20) is being organized under the auspicious presence of Asia's greatest leaders.

Asia's Greatest Brands & Leaders would take place in Bangkok, Thailand as a one-day mega Forum hosting the grandest brand festival with Royal Dignitaries, Delegates, Business Leaders, Government Dignitaries, Ministers, Cinema Leaders, Sports & Fashion Leaders, Entrepreneurs, Social Leaders, Philanthropists, Moderators, Panellists, Jury Members, etc. from Asia and Africa.

BHARATIYA MAHANTAM VIKAS PURASKAR

India, our motherland, is known for its greatness since ancient times! It has produced innumerable noble leaders who have invariably toiled to bring it glory and development! Driven by exceptional leaders and their phenomenal vision, our country continues to achieve spectacular success in diverse spheres of economy, politics, society and culture. Since independence of our country, exceptional leaders have continued to generate incredible ideas to further our growth and create a special place for India in the world.

A new India is emerging, and the credit unreservedly goes to such extraordinary leaders of vision and calibre, who have displayed inimitable vigour in the expansion of business, flourishing of industry and growth of our economy. In their pursuit of excellence, intentionally and unintentionally, they have been creating the next line of outstanding leaders who are eager to walk the path of their role models, and carry their mantles.

AsiaOne's Bharatiya Mahanatam Vikas Puraskar (BMVP) is custom-made for such extraordinary leaders who have dedicated their lives to the greatest development of Asia!

40 UNDER 40 MOST INFLUENTIAL LEADERS 2023 - ASIA & GCC AND YOUNG ASIAN ENTREPRENEURS 2023

AsiaOne Most Influential Young Leaders 2023 is a prestigious annual selection of the most prominent personalities globally. This list is entirely made of those who have made an indelible mark for other leaders to follow and generations to admire!

Youth is an age of achievements, maturity and triumphs – both at personal and professional levels. Through our IPR, Most Influential Young Leaders 2023, we do not highlight the wealth of our candidates. We calculate the extent of influence, impact, success and contribution towards the improvement of society and the world in general. It is based on each candidate's innovative ideas & practices, business acumen, and the spirited contribution – regardless of age – towards the good of other human beings. In our list, you'll notice several relatively young turks making the mark amid the changing benchmarks of personal and financial success. Our list is a reflection of influence, impact and spirit that these top-tier personalities have created worldwide.
