

ZOLA ACADEMY

EMPOWERING STUDENTS GLOBALLY

Zola Academy is an online tutoring platform that offers high-quality online tutoring services to school students worldwide through cutting-edge Internet technology. Apart from the curriculum, the platform focuses on the overall holistic development of each student that comes to them

and learners on a common platform and enables easy access to quality education. The company was built on the core value that quality education is everyone's right.

With its shared interface between tutors and online students, Zola has changed the way tutoring was viewed. The platform leverages high-quality video conferencing to provide a superior teaching experience. Its tutors are highly qualified subject experts with experience of teaching specific curricula.

In addition to academic tutoring, skill development sessions and counselling for emotional support, the organisation facilitates adult-supervised social activities such as Minecraft and Roblox sessions, providing a well-rounded learning experience to students.

ENSURING GLOBAL EXCELLENCE

Zola aims to be the leading tutoring academy internationally in delivering high-quality online lessons by consistently improving and adapting to address the growing needs and demands of the global student community. Each of its team members is committed to enhancing and adapting its offerings to meet the evolving needs and demands of the global student community. The members recognise that Research and Development (R&D) play a vital role in the success of any education enterprise. The organisation is dedicated to continuously improve the platform's interface, app, and processes to ensure that students have a positive and enriching learning experience. Additionally, the management heavily invests in teacher training to equip tutors with the necessary skills and knowledge to deliver effective lessons and provide unparalleled service to the students.

Zola's commitment to excellence shines through the attention to detail that it gives to each student's needs. It is truly on its way to making holistic education available to all.

As an online tutoring platform, Zola Academy takes pride in its holistic approach, aiming to nurture students' academic skills alongside essential life skills, fostering well-rounded development. The platform is dedicated to inclusive learning, catering to all abilities, including those with Special Educational Needs and Disabilities (SEND). In a bid to help students globally, the organisation caters to different curriculums, including IGCSE, IB, American, CBSE, and ICSE.

Their focus goes beyond mere adherence to curriculum and mandatory learning. Zola prioritises the mental well-being of its students, offering emotional support to them. It provides counselling sessions that allow students to assess their strengths and weaknesses in learning and receive tailored support accordingly. Parents are encouraged to participate in these sessions, facilitated by Zola's team of professionally qualified counsellors, ensuring comprehensive and informed guidance.

MAKING A MARK

Zola Academy is the passionate endeavour of Ms. Zainab Rumana, who started the company in August 2022. She is an educator with over 15 years of experience in teaching, leadership, and management at various international schools offering a variety of curricula.

The Founder and CEO leads the organisation with innovative and ethical educational solutions. She recently retired as a member of the Leadership and Management Team of a prestigious British school in the UAE. It is her strong belief that each student is unique and possesses one's own distinct capabilities. She has led Zola in a way that each relationship is valued immensely in order to differentiate each student's learning journey and maximise their achievement.

PASSION FOR HOLISTIC EDUCATION

Zola is driven by passionate educators and built upon the expertise of technology, design, and academia. What it essentially does is that it brings educators, parents,
