# SRI SATHYA SAI LOKA SEWA GURUKULAM GROUP OF INSTITUTIONS (SSSLSG)

WHERE SCIENCE MEETS SPIRITUALITY

*Sri Madhusudan Sai, a visionary and a humanitarian who spearheads the mission of Education, Healthcare, and Nutrition across 33 countries, is the Founder of SSSLSG. At these Institutions Sciences meet Spirituality, Humanities interact with Divinity, and Excellence is a by-product of Enlightenment*

various sister institutions and about 70% of the students hail from Below Poverty Line, more than 50% are first-generation graduates and about 43% come from remote rural areas.

## SRI MADHUSUDAN SAI INSTITUTE OF MEDICAL SCIENCES AND RESEARCH

(India's First Free Medical College, In Rural, By Rural, Of Rural)

Set up in the rural hinterlands of Muddenahalli in the Chikkaballapur district of Karnataka, the medical college admits rural youths and mould them into capable and compassionate healthcare professionals to serve in rural geographies. On 25 March 2023, the Honourable Prime Minister of India – Mr Narendra Modi inaugurated this medical college. The salient features of the Medical college include NEET qualified students with an attitude of service; education, lodging and boarding is free of cost to all the students; one teaching hospital with 360 beds spread across two buildings – Sri Sathya Sai Sarla Memorial Hospital; one administration cum academic block – Sri Sathya Sai Rajeswari Memorial Block; courses include MBBS, BSc Allied Health Sciences, BSc Nursing and DNB with 50 seats. Abiding by the guidelines set by National Medical Council (NMC) and Karnataka Education Authority (KEA), the first batch of 50 MBBS students were admitted in the college.

## AWARDS AND RECOGNITION

The Institution has received recognition and awards for its outstanding contribution to the field of education. The long list of awards includes 'Top Education Brands' organised by Business World Education in the Emerging Higher Education Institution in India category and Silver in the category of Innovative School in India. The institute also won 2 prestigious titles at the 26th Elets World Education Summit – Outstanding School Awards 2023: Innovative School of the Year and Leading School Chain.

**T**he most valuable and most beautiful, such as 'Knowledge' itself ought to be given free of cost. SSSLSG offers an experience of an equivalence that has balanced the lopsidedness of education by bequeathing it COMPLETELY FREE OF COST. It nurtures integrated personalities with brilliant heads, compassionate hearts and competent hands (3H). A quaint way of life adopted from the treasures of ancient Indian culture blended with neoteric international standards is the image in which these Institutions operate. Children from the economically backward section of society, especially from the rural sectors of India, are prioritised in the admission process. As on date, about 5,000 students – both boys and girls, from Grade 6 till doctorate level, study in the 28 Campuses spread across 20 districts in Karnataka, one in Telangana and one in Tamil Nadu, in South India and three other campuses overseas in Australia, Laos and Nigeria.

Sri Sathya Sai University for Human Excellence is the higher education wing of the Institution which gives opportunities for using knowledge and skills for serving others. A few of the salient features of the university include completely free of cost education, including lodging and boarding; the only general University that offers courses in music, vedic studies, agriculture, mental health, and physical education and sports apart from the regular arts and science courses; self-development is one of the most important area of foci, where students are imparted more than 50 skills like communication, accountancy, audit, law, cooking, driving, carpentry etc.; paid internship programmes for students to undergo on-the-job training for a whole year after completion of undergraduate studies.

Stipend provided during post-graduate studies as well; employment cum service opportunities after completion of postgraduate studies to sustain and serve the institution in various capacities by joining back the alma mater and its
