

**EMERGING**

**REAL ESTATE**

**A**mong the dynamic landscape of real estate, where aspirations take shape in concrete form, JSR Group Sun City appears as a symbol of trust, innovation, and community progress. For more than twenty years, the visionary guidance of Dr. Jadapalli Narayana has boosted the group towards a singular goal: to provide individuals with high-quality, secure, and thoughtfully designed living spaces. With unswerving dedication, JSR Group Sun City is reshaping the real estate narrative through careful planning, ethical conduct, and meaningful contributions to society.

**FOUNDATION OF TRUST AND EXCELLENCE**

At the forefront of the industry, JSR Group Sun City shines as a leader, symbolizing trust, integrity, and excellence. With a track record spanning two decades and ISO 9001-2015 certification, the group commands a significant presence on both national and international stages and the journey was powered by a simple yet potent principle: "we don't just sell land; we offer lasting opportunities."

**COMMUNITY-CENTRIC APPROACH**

The heart of JSR Group Sun City beats for cultivating blooming communities. The group's activities go beyond mere residential or commercial spaces; they cover thoughtfully crafted environments that prioritize safety, security, and well-being. Through round-the-clock security, surveillance systems, and meticulously planned infrastructure, residents discover a haven that enriches their lives.

**TURNING DREAMS INTO REALITY**

The spirit of JSR Group Sun City is personified in its customer-focused philosophy. The group's history is punctuated by successful projects, evidence to the squarely planned undertakings that have become valuable investments for its customers. The recognition earned isn't through self-promotion but rather through the enthusiastic endorsements of satisfied customers whose dreams have come true.

**PROMOTING SOCIAL RESPONSIBILITY**

Dr. Jadapalli Narayana initiated numerous social activities, including distributing utensils and uniforms to government

school students, sponsoring free drinking water in remote areas, contributing to the weddings of economically disadvantaged individuals, and supporting government departments for the betterment of society. Dr. Narayana's remarkable contributions to nation-building and his managerial capabilities have been recognized through various prestigious awards. Some of the notable accolades he has received include the Indian Achievers Awards for Real Estate and Infrastructure, the Honorable Degree of Doctor of

Honors from University of Colombo, Sri Lanka, the National Sadbhavana Award from the Nepal government, the Nelson Mandela Peaceful International Award in Malaysia, and the Swachh Bharat Award from the Indian government.

Apart from his successful business ventures and philanthropic endeavors, Dr. Narayana is also actively involved in environmental conservation. As an eco-activist, he has planted over 40 lakh plants as part of the "Clean India Campaign," earning him the "Swachh Bharat Achievement" award.

**AWARDS AND RECOGNITIONS**

The beautiful projects of JSR Group SunCity have earned immense fame, winning many prestigious awards for the company and the leader. A noteworthy recognition has been the Indian Achievers Awards in Real Estate and Infrastructure to the leader at the 35th National Seminar in Delhi and the Bharat Udyog Award in 2019 during the National Swachhata Summit in Delhi.
